

Dear Little League Volunteer:

Little League International is pleased to announce the release of the newly-updated 2010 Baseball and Softball Coaches Registry. The Registry was created to help managers and coaches improve their knowledge and learn how to be more effective teachers because they are among the most important volunteers in the Little League program.

Little League offers separate packages for baseball and softball, which include sport-specific training DVDs and reading materials, for only \$30. The baseball packet includes videos from the *Play Ball!* Series, which features tips from Major League Baseball players and managers. The Softball series offers Michele Smith's newly-published training and practice guide along with a skills and fundamentals DVD.

In addition to instructional information, the registry provides coaches the ability to download the latest version of the Electronic Rulebook with clips explaining frequently misinterpreted rules.
