

2010 League Priorities

Priority #1: Give our kids, parents, and volunteers a great experience

Priority #2: Invest in our coaches.

Priority #3: Engage our community through timely and accurate information

Priority #4: Build organizational stability

Priority #5: Manage our financial resources responsibly

Desired results of these priorities in the context of our league members:

Coaches

- Opportunities for top level development for both skills and drills and effective coaching.
- A clear understanding and commitment to Double Goal coaching.
- Ability to focus on your team by minimizing off field administrative burdens.
- League-wide resources, processes, and communication that sets coaches up to be successful and creates success for their team.

Players

- An environment that is safe, enriching, allows growth, and respects all levels of play.
- Have fun.
- Opportunities for in-depth skill development and competition;
- Provided a coach that will be prepared, organized, supportive, and competent.

Parents

- Receive timely and accurate information;
- Trust our fiscal responsibility and accountability;
- Trust the transparency in our operations
- Given the opportunity to create a community that is fun and worthwhile.

Volunteers

- Provided a fun and enjoyable organization that makes it worth your while.
- Provided clarity of role and expectations.
- Shown appreciation.

Community & Sponsors

- Trust that the league uses resources for the positive development of our youth.
- Experiences good communication about who we are and what we are doing.
- Shown appreciation.
